

III. REMARKS

1. Claim 10 is amended to correct a minor typographical error. Claims 26-49 are new.
2. New claims 26-49 include subject matter that is indicated as being allowable and are therefore patentable.

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record, and are in proper form for allowance. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issues remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge payment for three (3) additional independent claims and twenty-one (21) additional dependent claims and any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,

Joseph V. Gamberdell, Jr.
